Brainstorm

- What does 'community' mean?
- What communities are you a part of? (Think about your town, your clubs, places you like to visit)
- What do you like about your communities?
- Who helps to look after your community?
- How do you make things better in your community?
- How does it make you feel to be part of a community?
- Why is it important to be in a community?
- How are the people in these images making things better in their community?
