The An Post Money Electric Vehicle Loan is designed as a credit product that can be used to finance the purchase of electric vehicles and plug-in hybrids, including second-hand, up to 3 years old.

This loan cannot be used for business purposes.

(c) How long your Electric Vehicle Loan Credit Agreement lasts

Electric Vehicle loans are usually fixed-term loans. Minimum loan term is 12 months and maximum term is 84 months.

Your SECCI and Electric Vehicle Loan Credit Agreement will confirm your exact term.

(d) Types of borrowing rates on your Electric Vehicle Loan

Electric Vehicle loan interest rates are fixed. This means that the interest rate you are offered will remain the same throughout the term of the loan. Our fixed interest rates range from 5.7% up to 18.3% for loans from €10,000 to €75,000.

(e) Representative example

On a €20,000 loan over 5 years, at a fixed rate of 5.7% (5.9% Annual Percentage Rate (APR)) you will pay €383.87 a month. The total cost of credit would be €3,032.34 and the total amount repayable would be €23,032.34.

Rate offered takes into account financial profile and credit history.

(f) Other fees and charges you may need to pay

If you breach your Electric Vehicle Loan Credit Agreement, we may charge the default charges detailed below, which are not included in the calculation of the APR:

- If you fail to pay a monthly instalment in full, if the payment does not reach our account by the due date, or if a direct debit is returned after the due date, a non-payment fee of €10.00 will be charged.
- Any other reasonable costs we have to pay, such as our legal costs arising as a result of you breaking the terms of the Electric Vehicle Loan Credit Agreement, will be payable by you.

(g) How to make repayments

Personal loans are repaid by monthly instalments, usually by direct debit. Payments are typically used first to clear arrears, then to pay the current instalment due, and then to reduce the remaining loan balance.

Your loan payments are taken automatically from your bank account, following your payment plan. If you miss a payment, you will need to pay it yourself with your debit card. You can do this by calling us at 0818 205 410 between the hours of 8am to 8pm Monday to Friday, and 8am to 2pm on Saturday (not including bank holidays).

You must pay us your monthly instalment as shown at the beginning of your Electric Vehicle Loan Credit Agreement and on the dates set out at the beginning of your Electric Vehicle Loan Credit Agreement (or as varied in accordance with Clause '4. Payments' of the Terms & Conditions).

You must pay us immediately with the amount of any missed payments under the Electric Vehicle Loan Credit Agreement.

(h) Paying off your Electric Vehicle loan early

You can repay your loan early, either in full or in part.

If you repay your loan early, the total cost of credit will be lower. This is because the interest and any charges for the remaining loan term will be reduced.

We will not charge you any fee or compensation for repaying your loan early.
