

Dear Teacher,

An Post are proud to promote literacy through fun reading and writing competitions. This year, our competition will focus on a subject close to all of our hearts - our world. It's called **"Wishes for a Better World: Share them with Grá"**. With a spotlight on sustainability and what the young people of today would love to see in the future, we are asking pupils to put their wishes into a letter and send it to us!

Wishes for a Better World can be adapted to suit pupils of all levels and age groups, from Junior Infants up to 4th class. To support you, we have developed a series of lesson plans for each age group. All entrant schools will receive certificates, with exciting prizes to be won for the winning pupils, teachers and schools in each category!

Winners Prizes:

4x Gold: €100 for themselves
€100 for their school

4x Silver: €50 for themselves
€100 for their school

1x National Overall Winner:
